Yes I want the \$40.00 + 5.00 GST = \$45.00 (per bale) pick up service
(Please call when your bales are full - We will have an arranged date & time to collect)

0800 REWRAP (0800 739 727)

To arrange to drop off liners in either Kaitaia or Whangarei please call us for details

The items below can be ordered through your local farm supply stores (RD1 etc)

- Liners (for storing wraps)
- Plasback bin (for my silage wrap storage)

You are responsible for advising us of any address changes.

I am applying for the PLASBACK service and in doing so will endeavour to do the following:

- Segregate different plastics carefully as only liners filled with baleage wrap, silage pit covers, plastic shrink wrap and pallet covers, will be accepted.
- Ensure the plastic is as clean as possible by placing the used wrap in the liner as soon as possible.
- Accept that if the bailed wrap has unacceptable levels of contamination the product will be land filled at my cost.
(Contamination refers to other farm products not grass and dirt)
